
System Structure and Parameterization (SSP)

News about SSP 1.0.1

- We are planning to release SSP 1.0.1 in 2021 (minor additions, clarifications in documentation)

Non-Release-related topics

- Ideas for a promotion video (similar to the existing one for FMI) were collected
- Wikipedia entry in preparation
- Additional examples are in development (also including “Glue-Particles”)

News about SSP 2.0

- Ideas were collected (pending for Release of FMI 3.0)
